

HZ-1000 HAZE MACHINE

Antari
FOG MACHINE

Information

Product Description

Scan QR Code For Detail

HZ-1000 reigns as the ultimate power haze machine, equipped with a user-friendly touch screen interface. Featuring two haze output positions and an integrated turbo fan, it disperses haze higher and farther than ever before. Choose between single or dual compressor modes for unparalleled control. Plus, it comes in a wheeled flight case for easy transport and protection. This is the pinnacle of atmospheric effects technology.
